Peachtree City, GA 30269

Dear Mr. Hunt:

The enclosed antidrug plan has been approved by the Federal Aviation Administration (FAA).

This approval is contingent on your continuing association with the National Association of Drug Free Employees, Inc., (Nade) Consortium as specified in your plan. You are required by the antidrug regulation to be continuously covered by an FAA-approved program, and therefore, must obtain approval from this office prior to changing programs (e.g., joining another carrier's program, or transferring to another consortium). Even though you have contracted with an FAA-approved consortium to assist you with this program, you are responsible for complying with all aspects of the FAA antidrug regulation.

The plan identification number shown at the top of this letter should be included in correspondence to this office regarding your program.

Sincerely,

William R. McAndrew
Manager, Drug Abatement Division
Office of Aviation Medicine
